## FOR IMMEDIATE RELEASE

### LNCC Wins Atlantic Chambers Award

**Happy Valley-Goose Bay** – During the Atlantic Provinces Chambers of Commerce (APCC) Annual General Meeting held in Kensington, PEI from May 22-24, 2008, the Labrador North Chamber of Commerce (LNCC) was chosen as the recipient of the APCC Chair's Award 2007-08 (Chamber of the Year) for Chambers of Commerce with less than 200 members.

"The past year has been the most successful in the history of our organization on a number of fronts, and it's nice to be recognized by our Chamber peers in Atlantic Canada for the contributions we have made to benefit the regional business community", said Dave Hunt, LNCC President. "In sharing this award, our board and staff should be commended for their contributions and commitment to the LNCC."

"Our Chamber has taken an innovative approach to member benefits, partnerships and organizational sustainability, which has been the driving force behind our recent success", commented LNCC Executive Director Brian Fowlow. "Initiatives such as Expo Labrador, the Northern Lights 2008 Trade Show and Conference, the North East Trade Corridors Transportation Study, among many others and in conjunction with our continuous advocacy efforts have made the LNCC a strong voice for business in our region and beyond."

The Labrador North Chamber of Commerce is a not-for-profit membership-based organization which supports the business community in the Central Labrador region.
